R 400.10121 Direct care worker; qualifications.				
Rule 121. (1) A direct care worker shall have completed 30 semester hours of college or equivalent quarter hours.				
(2) In place of meeting the requirement specified in subrule (1) of this rule, a direct care				
worker shall have a minimum of a high school diploma or its equivalent and 2 years of work				
experience in a facility or child caring institution.				
R 400.10123 Staff sufficiency.				
Rule 123. (1) A facility shall have a staffing pattern of administrative, supervisory, direct care,				
and other staff sufficient to perform the prescribed functions required by these administrative rules				
and to provide for the needs, protection, and supervision of the residents.				
(2) A facility shall maintain a staffing ration of at least 1 direct acre worker or supervisory staff				
for 8 residents at all time when the residents are present and awake. During normal sleeping hours,				
there shall be a staffing ratio of at least 1 direct care worker or supervisory staff for 20 residents.				
these staff shall be awake, on duty, available within the facility, and have immediate access to the				
residents.				
(3) A facility shall have a designated employee in charge on the premises at all times.				
R 400.10125 Initial staff orientation and ongoing staff training.				
Rule 125. (1) A facility shall provide an orientation program for all direct care workers.				
(2) A facility shall document that each direct care worker participated in 40 hours of planned				
orientation preceding independent assignment to direct care functions. The orientation shall include				
the following:				
(a) The facility's purpose, policies, and procedures, including those related to discipline, crisis				
intervention, emergency and safety.				
(b) The role of the staff members in service deliver and the protection of the residents.				
(3) In addition to the orientation training, a facility shall document that each direct care worker				
received 24 clock hours of planned training annually.				
(4) A facility shall establish and follow a written plan of ongoing staff training related to the				
facility's function, which shall include all of the following areas:				
(a) Developmental needs of children.				
(b) Child management techniques.				
(c) Basic group dynamics.				
(d) Appropriate discipline, crisis intervention, de-escalation techniques, and child handling techniques.				
(e) The direct care worker's and the social service worker's roles in the facility.				
(f) Interpersonal communication.				
(g) Proper and safe methods and techniques of restraint.				
(h) First aid and cardiopulmonary resuscitation training.				
(i) Suicide prevention.				
R 400.10127 Compliance with child protection law; development of plan required.				
Rule 127. A facility shall develop and implement a written plan to assure compliance with the				
provisions of Act No. 238 of the Public Acts of 1975, as amended, by being §722.621 et seq. of				
the Michigan compiled Laws, and known as the child protection law.				
R 400/10129 Privacy and confidentiality.				
Rule 129. A facility shall provide for resident and parent privacy and confidentiality and shall				
protect residents from exploitation.				
R 400.10131 Resident correspondence.				
Rule 131. (1) A facility shall establish and follow written policy and procedure granting residents				
the right to correspond with persons or organizations, subject only to the limitations necessary to			1	
maintain facility order and security.
